22:03 And where does -- and where did Anna Rush live at
04 the time?
05 A. Oviedo.
06 Q. And what was the purpose of you traveling from
07 Casselberry to Oviedo?
08 A. I was just going to visit her at her house, hang
09 out.
10 Q. Okay. So, it was just a personal visit?
11 A. Yeah. Yep.
12 Q. All right. So, I'm going to now try to focus on
13 the accident that occurred April 2nd of 2022.
14 Approximately what time did the accident occur?
15 A. Oh, later because it got dark. I don't know -- in
16 the evening.

8. Page 23:08 to 23:11 (Running 00:00:12.050)

23:08 You said that the accident occurred in the
09 evening. And do you have an approximate time?
10 A. No. I wish I did know, because I don't even know
11 what day of the week that was. And I asked in my last

9. Page 23:13 to 23:25 (Running 00:00:27.818)

23:13 Q. Okay.
14 A. I'd say -- I'd say like late afternoon early
15 evening.
16 Q. Okay. So --
17 A. I mean, that's different to everybody I guess.
18 Q. Was the sun out?
19 A. No, because it was raining. It was stormy that
20 day.
21 Q. Okay. You predicted my next question about what
22 was the weather like.
23 A. Yeah.
24 Q. So, when you say storming, was it heavy rain? Was
25 it -- was it heavy -- heavy rain?

10. Page 24:01 to 25:20 (Running 00:02:16.510)

24:01 A. On and off.
02 Q. All right. So, in your own words, tell me how the
03 accident occurred.
04 A. Yeah. I was pulling up to the stoplight and it

24:05 had turned yellow. And so rolling very slowly up to the
06 stop. And, obviously, no traffic was -- it was a T, so our
07 road dead-ended at the road ahead. And turned yellow,
08 rolled up there, stopped. And the person in front had --
09 because, obviously, no cars are moving yet -- our light was
10 turning red still. So, they had, like, inched forward, so I
11 thought they were going. So, I had turned my head to the
12 left to look at traffic to see if they were moving yet. And
13 I went forward, fully ended up braking again and not going
14 and so I hit them.

15 Q. Okay. All right.

16 Let me back up. The car that you hit, what type
17 of car was it?

18 A. A Tahoe, I think.

19 Q. Okay.

20 A. A large SUV. Sorry. Go ahead.

21 Q. Do you remember the color?

22 A. Silver. Silverish.

23 Q. What road were you traveling on?

24 A. I don't know the name. I'm sorry. I don't know

25 the name of the road I was traveling on or the road I was

25:01 turning on. I apologize.

02 Q. So, I'm going to back up --

03 A. Because it was close -- oh, go ahead.

04 Q. No. Go ahead.

05 A. No, I was just going to say it was closer to her

06 house. I don't know all those roads very well.

07 Q. Okay. So, I'm going to back up a little bit and I

08 want to kind of dissect a few of the things that you told

09 me.

10 You said that you -- the light had turned yellow.

11 A. Uh-huh.

12 Q. Is that a yes?

13 A. Yes. Sorry. I'm sorry. Yes.

14 Q. The light had turned yellow. So, did the light

15 turn red at the time, prior to there being an actual

16 collision?

17 A. Yes.

25:18 Q. Okay. So, is it fair to say that traffic was at a
19 stop?
20 A. Yes.

11. Page 26:06 to 26:25 (Running 00:00:54.980)

26:06 If there was information or documentation that
07 indicated that this accident happened at Slavia and State
08 Road 426, would you have any reason to doubt that
09 information?
10 A. No. Slavia, now that you say that, is correct.
11 Yes.
12 Q. Okay. So, would you have been traveling on Slavia
13 at the time that this incident occurred?
14 A. I think so, because I think that's the side road
15 more. I think so.
16 Q. Okay. How many cars were in front of you? You
17 indicated that the light turned yellow and then turned red.
18 A. Yeah. Just us two.
19 Q. Okay. So, there was one SUV, a Tahoe, large
20 silver SUV, in front of you.
21 A. Uh-huh.
22 Q. And you were behind the Silver SUV?
23 A. Yes.
24 Q. All right. And I want to make sure that I have
25 the scene correct and the area.

12. Page 27:04 to 27:22 (Running 00:00:53.650)

27:04 A. Right. Yeah. It's like a T.
05 Q. Slavia dead-ends into 426; is that fair?
06 A. Right.
07 Q. You could only make a right or a left?
08 A. Correct.
09 Q. And is there a traffic control device -- and
10 there's clearly a traffic control device directing travel to
11 the left and then directing travel to the right; is that
12 fair -- from Slavia?
13 A. A light, yes.
14 Q. Okay. All right.
15 So, at the time that you -- right before this
16 incident occurred, you indicated that the light was yellow

Total Number of Clips: 1

Total Number of Segments: 20

Total Running Time: 00:10:11.808

27:17 and the light turned red.
18 A. Uh-huh.
19 Q. Understanding traffic rules, can we assume that
20 once the light turned red for Slavia, that the light would
21 have turned green for traffic on State Road 426?
22 A. After the delayed time per usual in a light, yes.

13. Page 28:07 to 28:20 (Running 00:00:47.820)

28:07 Did you actually come to a complete stop prior to
08 impacting the vehicle in front of you?
09 A. Yeah. Yeah.
10 Q. And after you came to a complete stop, you believe
11 that the vehicle in front of you was about to make a right-
12 hand turn. And is that when you started to go forward?
13 A. Correct. Yeah. They had moved -- they had inched
14 and so I was, like, oh, they're going. So, as they inched,
15 I turned my head to make sure traffic still wasn't moving,
16 because there's the delay and you can turn right on a red
17 light as long as there's no traffic moving at you yet. And
18 so they inched forward. I thought they were going, so I
19 turned my head. And they put their brakes back on and I hit
20 them.

14. Page 29:11 to 29:20 (Running 00:00:29.610)

29:11 I'm going to back up a little bit. The person,
12 Anna Rush, had you been to her house before?
13 A. Yes.
14 Q. How many times before? Is she someone you visited
15 frequently?
16 A. Yeah. I mean, over the year probably ten -- ten
17 times.
18 Q. And so did you need GPS in order to get to her
19 house?
20 A. Yes.

15. Page 29:22 to 30:02 (Running 00:00:16.350)

29:22 time -- let me back up. That's a bad question. Were you
23 using your GPS on April 2nd, 2022 when this incident
24 occurred?
25 A. I don't know for sure, but I assume I was. It's a
30:01 -- I use it almost all the time to go everywhere, so I'd

Total Number of Clips: 1

30:02 assume yes, but I don't know a hundred percent.

16. Page 31:14 to 31:19 (Running 00:00:19.410)

- 31:14 Q. So, when you say you had your head turned, would
15 you have had your head turned to the left or to the right?
16 A. To the left.
17 Q. And when you were looking to the left, is that
18 when you accelerated forward?
19 A. Right. As I -- yeah, because I thought they were

17. Page 32:01 to 32:13 (Running 00:00:54.800)

- 32:01 Q. After the impact, where was the damage to the
02 Lincoln Navigator that you were driving?
03 A. In the front right side. The front right bumper.
04 Q. Did you take any pictures?
05 A. Yes.
06 Q. And where was the damage to the car that was in
07 front of you?
08 A. Their rear, mainly on the left I believe.
09 Q. Was there damage to the lift gate?
10 A. I don't remember. I think so. I think so.
11 Q. I don't want to talk over you. Was it -- was that
12 it?
13 A. Yeah. Sorry.

18. Page 32:20 to 33:02 (Running 00:00:32.030)

- 32:20 Q. After the accident occurred, tell me what you did
21 next?
22 A. We both pulled off the road there onto the side,
23 the grass, and got out and, you know, looked at the cars. I
24 apologized. Yeah. And then they said they would -- that
25 they would call the police. I don't remember which one. It
33:01 sounds good. No problem. There were a few other words
02 exchanged and then we waited in our cars.

19. Page 34:20 to 34:22 (Running 00:00:08.350)

- 34:20 Q. Was there anything -- anything obstructing your
21 view of the truck -- or, I'm sorry, of the SUV in front of
22 you?

20. Page 37:22 to 37:24 (Running 00:00:07.990)

- 37:22 Q. Now, outside of yourself, do you blame anyone else
23 for this accident occurring?
